# Features

- **Heavy duty white textured polyester powder coated finish from stock**

We also offer a powder coating service to enable you to change the colour of your door and frame

- **Fully welded construction for optimum strength**

Door Frame: 1.2mm galvanised steel

Door Leaf: Double skinned 0.6mm galvanised steel

Door Leaf Core: Honeycomb core, used for its high impact properties

- **3 Stainless steel heavy duty lift-off hinges**

4 Dog bolts (fixed locking points) on hinge side of door leaf

- **Heavy Duty 14 point locking shoot bolt mechanism**

3 shoot bolts into the top of the frame, 8 shoot bolts into the latching side of the frame, 3 shoot bolts through the bottom threshold into the structure below. Including the 4 dog bolts and latch, 19 points secure the door leaf in the frame.

A security upgraded sashlock is also available (level 3).

- **Chrome plated steel handles included as standard (code 5586)**

Heavy duty stainless steel handles upgrade (Level 2)

available to increase security (code 6198). Level 3 security sashlock also available.

- **Weather and draught proof seals installed as standard**

Our doors are fully weather proof and can be used externally

- **DDA (Disability Discrimination Act) compliant threshold**

- **Anti jemmy bar lip all around the door leaf, including the hinge side**

- **Internal frame welded case work to protect shoot bolts from falling debris**

- **Euro profile cylinder with unique ABC key system**

Heavy duty kite marked cylinder upgrade is available, and highly recommended. The upgraded cylinder has anti-pick, anti-bump, anti-snap, anti-drill and anti-pull features.

Included in level 1, 2 & 3 security upgrades.

Thumb turn and & keyed alike options also available.

# Optional Extras

## Door Closer

Heavy duty door closer, manufactured to comfortably close a door weighing up to 115KGs.

Available finished in satin silver.

## Friction Stay

Suitable for steel outward opening doors.

Face mounted stay allows door opening to be limited to around 90 degrees.

## Extra Keys

All our doors are supplied with 3 keys as standard.

Available for all of our door types, and security upgraded locks.

Price stated is per key.

## Door Viewer

A simple, quick and easy job to install to any of our doorsets, and only takes a matter of minutes.

Viewers are available in chrome and satin chrome finishes.

## Door Knocker

A classical shaped urn door knocker that is timeless in appearance. Suitable for modern and traditional front doors.

Available in chrome and satin chrome finishes.

## Letterplate

The all in one letterbox solution for your front door. A telescoping sleeve accommodates a variety of door types.

Available in chrome and satin chrome finishes.
