U Value: TBC

Security Enhancing Options

Level 1: Security Cylinder

Level 2: Level 1 + Stainless Steel Handles

Level 3: 3* Kitemark Cylinder + Handles

Features

- **Heavy duty white textured polyester powder coated finish from stock**

We also offer a powder coating service to enable you to change the colour of your door and frame

- **Fully welded construction for optimum strength**

Door Frame: 2.0 mm galvanised steel

Door Leaf: Double skinned 1.0 mm galvanised steel

Door Leaf Core: Fibre Board Core, used for its high thermal, acoustic and impact properties.

- **10 Stainless steel heavy duty lift-off hinges**

12 Dog bolts (fixed locking points) on hinge side of door leaf

- **Multi point locking shoot bolt mechanism**

With 3 shoot bolts into the top of the frame and 8 shoot bolts into the passive leaf, including the 12 dog bolts and latches, 25 points secure the door leaf in the frame.

A security upgraded sashlock is also available (level 3)

- **Heavy duty stainless steel handles included as standard (#6198) with integral privacy lock**

Higher security handle upgrade (levels 2 & 3) available to increase security (#6101)

- **Weather and draught proof seals installed as standard**

Our doors are fully weather proof and can be used externally

- **DDA (Disability Discrimination Act) compliant threshold**

- **Anti jemmy bar lip all around the door leaf**

Including the hinge side incorporating a 'barb-like' design to the latching side which hooks into place when closed

- **Internal frame welded case work to protect shoot bolts from falling debris**

- **Euro profile cylinder with unique ABC key system**

Heavy duty kite marked cylinder upgrade is available, and highly recommended. The upgraded cylinder has anti-pick, anti-bump, anti-snap, anti-drill and anti-pull features. Included in level 1 & 2 security upgrades. Level 3 upgrade includes a 3* Kitemark Cylinder. Thumb turn and & keyed alike options also available.

Optional Extras

Door Closer

Heavy duty door closer, manufactured to comfortably close a door weighing up to 115KGs.

Available finished in satin silver.

Friction Stay

Suitable for steel outward opening doors.

Face mounted stay allows door opening to be limited to around 90 degrees.

Extra Keys

All our doors are supplied with 3 keys as standard.

Available for all of our door types, and security upgraded locks.

Price stated is per key.

Door Viewer

A simple, quick and easy job to install to any of our doorsets, and only takes a matter of minutes.

Viewers are available in chrome and satin chrome finishes.

Door Knocker

A classical shaped urn door knocker that is timeless in appearance. Suitable for modern and traditional front doors.

Available in chrome and satin chrome finishes.

Letterplate

The all in one letterbox solution for your front door. A telescoping sleeve accommodates a variety of door types.

Available in chrome and satin chrome finishes.
